THEME SESSIONS

1. System in marginal biotopes of aquatic ecosystems, spatial distribution, prevalence.
2. Marginal ecosystems in fresh and marine waters.
3. Establishing of marginal effect in functional activity of plants and animals.
4. Usage of marginal effect in wetlands monitoring.
5. Marginal effect in technoecosystems and possible perspectives of its practical usage.

REGISTRATION

Please, send your filled form as separate file (entitled by second name of first author, for example: zaitsev.doc) to conference e-mail (zaitsev95@gmail.com).

Registration deadline – **March 20, 2019**

Second name, first name(s)	
Affiliation	
Academic degree, position	
E-mail	
Phone number	
Abstract title	
Session	
Presentation: oral, poster	
Do you want to be accommodated at "Chornomorka" Guest House? (see the site bellow)	

All registered conference participants should be acknowledged by e-mail in 5 days. In the case of absence of the confirmation please contact the conference organizing committee.

Abstracts will be published in digital form on the IMB web-site: www.imb.odessa.ua. The authors are invited to submit full papers for publication in 'Odessa National I.I. Mechnikov University Herald (Biology)'. The full articles should be published till the end of 2019.

ABSTRACT GUIDELINE

The deadline for abstracts: April 30, 2019.

Abstracts (250-500 words) should be prepared in English, on one page, paper size A4 (portrait orientation) with 2-cm each field. Font: Times New Roman; Font size: 12; Line spacing: Single; First-line: 1 cm; Alignment: justified. Citations are in parentheses. Tables, figures and references list are not assumed. Abstract template is available bellow. The abstract file should be saved as Microsoft Word (*.doc) and send as separated file, entitle by second name of first author (for example: zaitsev.doc), to conference e-mail (zaitsev95@gmail.com).
